Chicago, IL, USA (May 19, 2008) – Treasury Strategies announced today Monie Lindsey as the head of their new London office. Along with two colleagues, Principal Laurie McCulley and Partner Dave Robertson, Lindsey will lead Treasury Strategies' efforts in Europe as the firm takes another step forward in the evolution of its global consulting practice.

"We're very excited to have Monie heading our U.K. office," said Cathy Gregg, a Partner with the firm. "We will be more accessible to our clients with global needs, which is vital to our unique approach to treasury consulting."

Ms. Lindsey has been part of the Treasury Strategies team for 13 years. She advises corporate clients on treasury and working capital management with particular focus on the needs of organizations as they expand or strengthen their businesses globally. Lindsey also works with financial institution clients to improve product design, pricing and distribution as well as develop product strategies and sales tools.

"It's an exciting new challenge. I'm looking forward to being on the ground in London and better able to serve our corporate and financial institution clients," said Lindsey.

The virtual office in Trafalgar Square will house Lindsey, McCulley, and Robertson for their work in the U.K. Additional personnel who are local to the U.K. will be on the ground working with clients.

Treasury Strategies, Inc. is the leading Treasury consulting firm working with corporations and financial institutions. Our experience and thought leadership in treasury management, working capital management, liquidity and payments, combined with our comprehensive view of the market, rewards you with a unique perspective, unparalleled insights and actionable solutions.
